Istanbul, Turkey - GygeSS, the leading Turkish dressmaker, is proud to announce the release of its new couture collection, a masterpiece of elegance, style and sophistication.

GygeSS has been manufacturing and wholesaling cocktail, prom, graduation, and evening dresses for 12 years. From a small one-shop location, GygeSS has grown into a high-end fashion brand with customers all over the world. Now, with its new couture collection, GygeSS aims to bring the privilege of wearing GygeSS to even more people.

The new couture collection features the latest fashion colors and designs, combined with the high quality and out-there style that GygeSS is known for. The collection is a perfect reflection of GygeSS' commitment to excellence and innovation.

Quote from CEO Muzaffer Rahal

"We are excited to bring our new couture collection to the general public and possible buyers," says GygeSS CEO, Muzaffer Rahal. "Our new collection is the culmination of our years of experience and hard work. We believe that our customers will love it as much as we do."

The new couture collection is an expression of GygeSS' passion for fashion and its dedication to creating beautiful and elegant dresses. From the softest pastels to the boldest prints, GygeSS' new couture collection has something for every occasion and every taste.
